Linkage and Break Through Consulting Partner to Offer Complimentary Coaching at The Best of Organizational Development Summit

Innovative one-on-one “laser coaching” sessions back by popular demand

Burlington, MA (April 1, 2009): Linkage, a global organizational development company, has partnered with Break Through Consulting, an executive coaching company, to offer complimentary one-on-one executive coaching to attendees of *Linkage’s 11th Annual Best of Organizational Development Summit* taking place May 12-14 in Chicago, Illinois.

Linkage and Break Through Consulting first teamed up in 2008 to offer complimentary 60-minute coaching sessions at *Linkage’s Best of Organizational Development Summit*. Participants at last year’s *Summit* loved Break Through Consulting’s highly acclaimed “laser coaching” approach. In just one hour, participants came away with clear and actionable high-impact goals to improve their strategic direction.

“We are thrilled to be partnering with Break Through Consulting once again to offer these invaluable one-on-one sessions as an added benefit to the learning experience,” explains Linkage President, Todd Langton. “This option allows participants to break through barriers to achieve personal and professional goals—a critical path for every professional, especially in today’s economic environment.”

Linkage’s Best of Organizational Development Summit is one of the leading benchmarking events in the field of OD and attracts over 500 participants annually. The one-on-one coaching is limited to 100 sessions and is available only to registered attendees.

Linkage’s 11th Annual Best of Organizational Development Summit is a three-day event featuring over 50 practical sessions focused on providing best-in-class tools, case studies, techniques, and skills the OD, LD, HR, OE and change management practitioner needs to meet the needs of today’s changing organizational environment.
