

## Leadership & Management Development

### Certificate length:

Four courses (not concurrent), at least one of which must be a core course; recommended program completion is within twelve months.

### Schedule:

See individual courses for complete schedule with locations.

### Certificate price:

Combined prices of selected programs as identified to the right. (Note: prices represent a special 15% discount from list prices when paid in full at registration.)

### Dual certification:

If you are interested in the *Certificate for Leadership Development Professionals* as well as *The Organizational Development Certificate* you may be able to leverage up to two electives to accelerate the completion of both. Contact us at 781-402-5555 for assistance in mapping your curriculum.

## The Certificate for Leadership Development Professionals

Your success relies heavily upon identifying and developing effective leaders. Linkage's *Certificate for Leadership Development Professionals* offers an efficient means to develop the critical behaviors and attitudes across leadership levels that will enable your organization to achieve desired business results.

### Who should attend

Leadership development, OD and HR professionals as well as mid- to senior-level managers responsible for developing leaders

### Benefits & outcomes

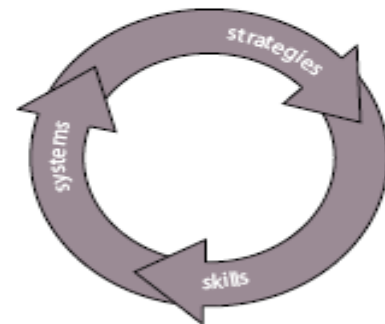

- Enhanced ability to develop the behaviors most critical to an organization's success
- Assess leadership capabilities using proven tools
- Apply techniques to develop winning leadership development systems that generate success

### Program curriculum

The curriculum for the *Certificate for Leadership Development Professionals* is based on Linkage's **Blueprint for Leadership Development Professionals Model™**:

- Systems that support the development of your leaders within the context of your business plan
- Strategies that close the gaps between business goals and the capabilities of your leaders
- Skills that you need as an HR/OD professional to drive leadership development

### Blueprint for Leadership Development Professionals Model™
